We answer your questions and enroll you in these **affordable benefits, at no cost to the employer:**

- Life Insurance** - Term Life Insurance; Whole life Insurance and Juvenile Whole Life Insurance offered – everyone needs life insurance!
- Short Term Disability Insurance** - Sends 60% of your salary home if you can't work due to illness or injury; a must-have before a maternity leave
- Cancer Insurance** – Because out-of-pocket costs are so high, get affordable financial protection for you and your family members
- Critical Care** for Heart, Stroke and other major illnesses; lump sum payments help greatly with hospital costs
- Medical Bridge Insurance** – Can cover deductibles and other out of pocket costs during a hospital stay that can financial stress you
- Accident Insurance** – On/off the job, a comprehensive plan for you and the whole family

**Your healthcare is PERSONAL and we want you to be SAFE**

Each employee gets a one-on-one session on the telephone or a safe face-to-face with a licensed benefits counselor to answer questions and explain how MDLive Telemedicine and other benefits can work for you and your family.

A Voluntary Benefits Partner of **PeopleLease**
