Create as many forms as possible
"Reviews, Exit interviews, Warning notices and so much more".

Assign, Manage, and Check Status
all in one place.

Email notifications, Informational
Widgets and Ease of completing a form.

Why choose PRO Perform?

With customizable templates and other features, PRO Perform's best-in-class technology empowers you to easily manage employee performance **your way**.

- **Streamlined Performance Reviews:** Say goodbye to cumbersome paperwork and manual processes. With PRO Perform, conducting performance reviews is effortless. Easily create, schedule, and complete reviews with automated reminders and customizable templates.
- **Goal Setting and Tracking:** Empower your employees to achieve their full potential. PRO Perform allows you to set smart goals, track progress, and provide ongoing feedback to keep everyone aligned and motivated.
- **Constructive Feedback:** Foster a culture of continuous improvement by gathering insights from managers to gain a comprehensive view of an employee's performance and development opportunities.
- **Development Planning:** Invest in your employee's growth. With PRO Perform, you can create personalized development plans, recommend training resources, and track skill enhancement to nurture talent within your organization.
