How effective HR programs can *make* you money

A key function of successful HR programs is to help employees become and stay engaged and productive. But what does that look like when it comes to a company's bottom line?

Researchers at Cornell University studied several hundred companies that invested in key HR practices. The results showed significant financial impacts:

Research shows that investing in HR can result in a host of other benefits as well, including:*

- ✓ Greater customer retention
- ✓ Higher productivity
- ✓ More operating income
- ✓ Increase in referrals
- ✓ Less employee absenteeism
- ✓ Fewer safety incidents
